1.교과목 개요

This course aims to examine "Korean tradition" with a historical approach. Most of traditions in human society seem to be a heritage of the past, but, in fact, they are reconstructed fragments of the past basing on the view of contemporary society. History, as an encounter of the past and the present, helps us understand how so-called "Korean tradition" has been invented.

2. 강의목표

Providing background information about Korean history and culture

3. 강의방법

Instructor's lecture and individual or group presentations

4. 평가방법

Attendance and Participation (20%)
Examination (60%, mid-term 30% + final 30%)
