1.교과목 개요

In this course, studnets will read news articles from the New York Times on various topics of global and regional interest that might be relevant to the field of international studies. Each week, the class will be introduced to one or two English news articles from the New York Times. Important English expressions and main ideas of the articles will be discussed in lecture and in small groups. Students will discuss and work on worksheet quesitons during the practice hour and present results to the class at the end of the hour.

2. 강의목표

The objective of this course is to learn and practice Englsih, ultimately to gain a certain level of confidence in discussing about various topics relevant to international studies.
