1.Course Outline

Even they went through all those kind of dynamic, sometimes traumatic still Koreans remain as one of world's most homogeneous Ethnic Group in the World. That makes Koreans have big interest in their history compared with other countries, which is actually one of the main energy provided into their nationalism and drives them to focus on economic competition with other part of world.
So to understand Modern acomplishment of Koreans today, We actually face some need for basic knowledge about Korean history and tradition. Even their life style has totally changed to Western style, Still when they have to define themselves, they bascially moblized cutural resource from old times, Like Kim chi and Confucianism way of behaviors. Thats bascially why this class exists.
