## 1.Course Outline

This course uses film as a means of introduction to South Korean culture and society. This course is interdisciplinary in design and is not a survey of the latest South Korean cinema. It is reading-, writing- and discussion-intensive and requires willingness to read, think, and write critically about film and academic texts in English in addition to active and regular participation in the classroom discussions. * This syllabus is subject to change based on the needs of the class.

## 2. Objectives

- Interdisciplinary understanding contemporary South Korean society
- Critical analysis through reading, discussion, and writing
