Dear President, Partner University

We are pleased to inform you that we are ready to invite applicants from our partner universities to participate in the Oita University Exchange Program for 2016/2017. Eligible applicants are welcome to send their application forms to our university by November 20th, 2015 for enrollment in April 2016 and March 25th, 2016 for enrollment in October 2016.

The Oita University Exchange Program comprises two separate programs (the Nihō Program and the IPOU Program); both programs are open to qualified students from our partner universities for either one or two semesters. Please refer to the application guidelines for details concerning these programs.

We sincerely hope that the relationship between your university and Oita University can further develop in a fruitful way.

Sincerely yours,

Seigo KITANO (MD, PhD.)

President,

Oita University
