The placement test includes writing, listening, and an interview. **Beginners with no Korean background are also required to take the test.**

5) Course Withdrawal Period

Students may withdraw from enrolled courses during the given period, by the 4th of week of March or September, without penalty.

Please keep in mind that course addition is not allowed during this period, and students are not allowed to withdraw from the required courses for international students. The students are required to have their withdrawn courses approved by the course professor for the process to be completed. In addition, the "Class Schedule Change Form" must be submitted to the CUK Center for International Students<Email: cukciss@catholic.ac.kr, ☎+82-2-2164-6577> during this period. If not, students may face academic penalty such as receiving an "F" grade for the course.

6) Academic Records

Students will receive a letter grade ranging from A+ to F. The "A" is given for excellent performance; "B" for above average; "C" for average; "D" for minimally passing performance; and "F" for failure. In addition, "+" and "0" are used for further differentiation. A student's performance with "+" indicates a superior performance in that letter grade, and "0" indicates a slightly weaker performance in that letter grade. Other grades include "P" (pass) and "F" (fail). The grade will

become a part of permanent record at CUK. The university reserves the right to ask any student to withdraw and return back to home country if he/she:

- fails to maintain satisfactory academic standards;
- violates the university regulations or any South Korean laws.

7) Credits Transfer & Transcripts

Credits earned at CUK can be transferred. **Please consult with your study abroad advisor or academic advisor at your home institution** for regulations concerning credit transfer. Due to safety reasons, living in the CUK Dormitory is a 'MUST' mandatory requirement to come to CUK as an exchange student. Our dormitory supervisor tries to place exchange

students in a room shared with a Korean student who can speak the native language of the exchange student, in order to smoothen their transition to living and studying in Korea.

However, you can choose to live with a student from your home school ONLY if you sign up for a '2-person room' or a '4-person room'. In other words, '3-person per room' individuals are prohibited to choose a roommate from one's home school.

All rooms are fully equipped with central heating, air-conditioners, LAN ports for personal internet access, and phones. Also, rooms are equipped with a bed, a large closet, a desk and chair, a mini-fridge, and a bathroom. Double rooms are similarly equipped with a bed, a large closet and desk for each student but without a bathroom. Students living in double rooms may share bathroom and shower facilities on each floor. Each Student will be given keys for their room and closet. Students will be responsible for the keys until checkout. If lost, the residence office must be informed immediately. Students will receive a new key for about 20,000 Won. All furniture and equipment should be handled with care. Students are prohibited to relocate or replace furniture without permission from the dormitory Administrations Office. Students will be held responsible for any damages caused, and will be subjected to paying compensation.

Please note that Exchange Students CAN live in the dormitory during vacation time.

However, those who wish to stay in the dormitory during the vacation time need to consult with the 'Cardinal KimSouHwan International Dormitory Center<Email: 20071020@catholic.ac.kr>

'AFTER' you arrive at the CUK campus during the Cardinal KimSouHwan International Dormitory Center's own Orientation Session.

There will be an Orientation, separate from the orientation by the CUK Center for International Students, which will be done only by the 'Cardinal KimSouHwan International Dormitory Center' a few days after you arrive at the CUK campus.(Time and date is not fixed yet)

If you don't sign up to live in the CUK Dormitory during the vacation time, you must move out of the dormitory by Saturday of the 3rd week of June and December.

(Please see the above [Academic Calendar 2016], 'Dormitory Move-out Date')

9) Student ID

The student ID card will be distributed at the beginning of the semester. The main use of the ID card is to enter the university library. You will be asked at certain places to show your student ID card for age verification purposes. For example, you may have to show your ID at pubs to prove that you are over the legal drinking age in Korea (which is 19). You will find it convenient to carry the student ID with you at all times. The ID card is valid until your study period at CUK ends.

10) CUK AMI (Academic Mentor for International Students) program

Making a new friend in a different country may seem difficult at first. CUK offers "AMI" program to help your initial contact with Korean students and adjustment to a new environment.

The 'AMI's do numerous activities with international students, including picking you up at the airport when you arrive, helping you get acquainted to the CUK campus and neighboring areas, taking you to student hangout places and events, giving you academic help and arranging cultural trips. By interacting with these students, you will be able to expand your social network in Korea to other areas beyond school and fully take advantage of what CUK and Korea can offer.

11) Health
