The Hub of Global Asia

The Catholic University of Korea was founded in 1855 in order to contribute to creating a society where humanity is respected by fostering intellectuals with passionate humanitarian values and a wide range of knowledge under the educational philosophy of Truth, Love and Service. With its state-of-the-art facilities, the university has been cultivating professionals and specialists in many areas. It has recently established a long-term development plan and has been making every effort to develop itself into one of the best Catholic universities in the world.

- Foundation Spirit: A University with Respect for Human Dignity
- Motto: Truth, Love, Service
- Established: 1855
- Three Campuses:
 - Songsin(Theological Campus) - Theology
 - Songsim(Global Campus) - Humanities & Arts, Social Sciences, International Fields, Natural Sciences & Human Ecology, Engineering and Others
 - Songeui(Medical Campus) - Medicine & Nursing
- Undergraduate Students: Approximately 11,400
- Graduate Students: Approximately 3,300
